## MAXIMIZING REVENUE

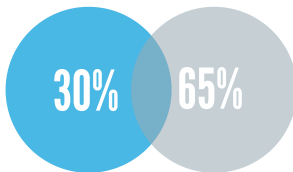

The CareTeam are experts in their domain as they ensure that you receive the fastest turnaround and highest reimbursements possible.

Your therapy practice can expect a 5% to 15% increase in collections with PT Pros.

## PEACE OF MIND

Practice owners deal with a lot of stress on a daily basis. Let PT Pros be your peace of mind.

"Provider burnout rates range between 30% to 65%." - Journal of General Internal Medicine

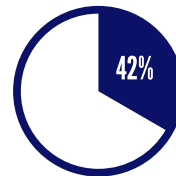

## DATA IS POWER

We provide regular performance reports to ensure transparency. With RevCare, private practice owners will use their new found data to drive their practice for long term success.

## REDUCED COSTS

Outsourcing your billing can help save major bucks in terms of staff, salaries, benefits, and software requirements.

"42% of medical records are incorrectly coded."  
- Department of Health and Human Services

## TIME IS MONEY

Partnering with PT Pros saves you time, diverting your efforts back to your patients.

## SOPHISTICATED TECHNOLOGY

Our CareTeam has various automation tools which help in generating fast payment turnarounds. Our RevCare Program powered by WebPT, offers a state of the art EHR system which takes the burden out of documentation.
